INFORMATIVE MOTION, AND INCORPORATED MEMORANDUM,

NOW INTO COURT, through undersigned counsel, comes defendant, Juan Piza-Blondet ("Mr. Piza"), and files this Informative Motion, and Incorporated Memorandum. In support thereof, Mr. Piza respectfully states as follows:

On August 13, 2008, the Court ordered an amendment to the Pre-Trial Order. The Court requested that the defendant amend its section referring to relevant case law. However, as this matter is not going to proceed to a trial and the parties have an agreement, the defendant respectfully requests relief from this Court's Order (Docket No. 183). Consistent with the pre-trial conference on August 14, 2008, the parties will be submitting pleadings to the Court memorializing their agreement and concluding this case before the trial court. The defendant respectfully maintains that the Court's Order (Docket No. 183) is no longer necessary as there will be no trial of this case on Monday, August 18, 2008.

Undersigned counsel contacted counsel for the plaintiff, and the plaintiff does not disagree with the defendant's position with regards to the relevant Order (Docket No. 183). It is anticipated

that the plaintiff has no opposition to this Informative Motion; however, opposing counsel could not be reached for direct comment on this motion as he is traveling and en route to the mainland. Accordingly, the defendant will respectfully not be amending its case law section to the Pre-Trial Order.

WHEREFORE, considering the foregoing, the defendant respectfully requests relief from Order No. 183 and seeks this Court's permission to not provide any further information in the Pre-Trial Statement concerning relevant case law.

Respectfully submitted,

/s/ Francisco Diez
